YOUR GUARANTEE.

(Not applicable in the United States of America and Canada)

WHO IS PROTECTED BY THIS GUARANTEE:

Your JBL Guarantee protects the owner of a JBL product purchased from a dealer who was authorized by JBL to sell such products at the time of the original purchase. Guarantee service is available only in the region of original purchase, and the length of the Guarantee is one year. Guarantee service is available only when the original bill of sale or sales slip is presented when Guarantee service is requested, and only when the product type and serial number are correct. This ensures that an authorized Service Center services your product and that only genuine JBL parts are used.

JBL's liability is limited to the repair or replacement, at our option, of any defective product, and shall not include incidental or consequential damages. JBL reserves the right to replace a discontinued model with a comparable model. Any replacement units or parts may be new or rebuilt.

In order to avoid any inconvenience for you, please read the Owner's Manual for possible explanations to your issue before requesting Guarantee service.

WHAT IS COVERED

Your JBL guarantee covers all defects in material and workmanship with the following specified exceptions:

- (1) damage caused by accident, unreasonable use or neglect (including the lack of reasonable and necessary maintenance);
- (2) damage occurring during shipment (claims must be presented to the carrier);
- (3) damage to, or deterioration of, any accessory or decorative surface;

- (4) damage resulting from failure to follow instructions contained in your owner's manual;
- (5) damage resulting from the performance of repairs by someone other than an authorized JBL warranty station;
- (6) any JBL unit on which the serial number has been effaced, modified or removed;
- (7) units used for other than home use.

This guarantee covers only actual defects within the product itself, and does not cover transport costs or risks associated with transport.

NOTE: Repair of our product must be done by an authorized dealer or service center. Unauthorized repair will void the warranty and is done at the risk of the consumer.

For further information about the Guarantee, please contact your local dealer or distributor.
