

TUNE 125^{BT}

Wireless in-ear headphones

A grab 'n' go solution that sounds great.

Featuring JBL Pure Bass Sound, the JBL TUNE 125BT headphones offer a grab 'n' go, lossless wireless solution for your everyday usage along with the ability to make or take hands free calls and 16 hours of battery life. Imagine headphones that quickly charge in 2 hours, come in brilliant new colors, feature a flat tangle free cable and are lightweight enough to comfortably wear for hours on end. And when you combine magnets that ensure the headphones are not dangling when not in use, the multi-point connection that allows you to never miss a call, it's easy to see how the JBL TUNE 125BT headphones can become an essential part of your day-to-day music loving life.

- ▶ 3-button remote with microphone

TUNE 125^{BT}

Wireless in-ear headphones

Features and Benefits

JBL Pure Bass Sound

For over 70 years, JBL has engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same JBL sound, punching out bass that's both deep and powerful.

Bluetooth 5.0 for lossless quality

Stream your favourite tunes in super high quality thanks to Bluetooth 5.0.

16-hour battery life with speed charge

The built-in battery provides 16 hours of playing time, that can be quickly recharged in 2 hours with the type C cable. A 15-minute recharge gets you 1 hour of playback.

Magnetic cable management

Ensures that the headphones remain comfortably secure and tangle-free around your neck when not in use.

Multi-point connection

Allows you to seamlessly switch from a video on your tablet to a call on your smartphone so that you'll never miss a call.

Voice Assistant supported

Effortlessly access your smart device's voice assistant from the headphone.

3-button remote with microphone

Enjoy wireless calls and manage your music hands free.
