T450

On-ear headphones

Features and Benefits

JBL Pure Bass sound

For over 60 years, JBL has engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same JBL sound, punching out bass that's both deep and powerful.

1-button remote with microphone

Control music playback with the one-button remote. Got an incoming call? Answer it on the fly with the built-in microphone.

Lightweight and foldable design

Lightweight materials make these headphones comfortable over your ears, and a flat-foldable construction ensures they fit snugly into your bag.

Tangle-free flat cable

A flat cable that's durable and won't tangle up in knots.
