

Hear the truth™

JBL® JEMBE™ WIRELESS COMPUTER SPEAKERS

Wireless desktop speakers designed to bring the best sound out of your digital media devices — all in a compact, stylish design.

LEGENDARY SOUND SINCE 1946

POWERFUL SOUND IN A PETITE, WIRELESS PACKAGE.

The JBL® Jembe™ Wireless computer speakers pack the powerful JBL sound you've come to love in a package that will proudly adorn any desk or tabletop — and best of all, you can access your music wirelessly via integrated *Bluetooth*® technology. Deliciously attractive, these compact speakers feature a built-in power amplifier and a Slipstream port that helps create rich bass with low distortion. This powered 2.0 computer speaker system also has a 1/8-inch (3.5mm) headphone jack built in, so that you can enjoy a more personal experience with your music. While the small and discreet speaker system fits comfortably on any desk, feel free to roam about and stream music from your favorite *Bluetooth*-enabled devices via HARMAN TrueStream™.

KEY FEATURES

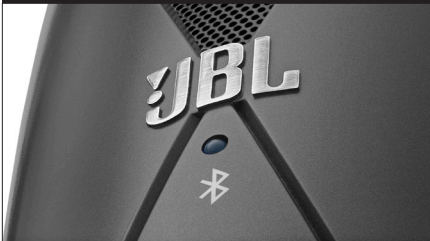

JBL® JEMBE™ WIRELESS

Hear the truth™

Don't let size fool you. These compact computer speakers deliver the same powerful JBL sound you've come to love and expect over the years.

Integrated *Bluetooth*® Technology

Play your music on the fly from any one of your favorite *Bluetooth*-enabled devices via HARMAN TrueStream — works with your iPhone, iPad, tablet, MP3 player, laptop and virtually any audio player equipped with *Bluetooth* technology.

Built-In Power Amplifier

The built-in power amplifier pumps more power and promises superior stability — action films will keep you on the edge of your seat while your music will keep your ears perked and emotions piqued. The JBL Jembe speaker system produces sound as if it came directly from the studio sessions.

Powered 2.0 Speaker System

Experience movies from your computer as if you were sitting in the theater. The powered 2.0 computer speaker system has added acoustic performance that gives your sound depth and space.

Slipstream Port Technologies

JBL Slipstream port technologies provide listeners with powerful, great-sounding bass with low distortion. Plug in your desktop computer, laptop or personal music player and hear real bass you can feel.

1/8" (3.5mm) Headphone Jack

Enjoy a more intimate experience with the integrated 1/8" (3.5mm) headphone jack, designed to work with your personal cans.

Stylish JBL Weave Design

The JBL Jembe two-piece speaker system is small and stylish. The JBL Weave design adds fabulous form to exceptional function.

Built-In Power-Saving Feature

If no audio signal is present for approximately three minutes, the JBL Jembe Wireless speakers will go into power-standby mode. When an audio signal is detected, they'll quickly power up again, automatically.
