

SYNCHROS E50BT

Bluetooth®, around-ear headphones with JBL Signature Sound, PureBass Performance, wireless ShareMe™ music sharing and a superior fit

Next Generation, around-ear stereo headphones featuring JBL's Signature Sound, Bluetooth® connectivity with ShareMe™ music sharing, all in a stylish, contemporary design.

Bask your ears in bold JBL sound: large 50mm drivers with PureBass Performance envelop your ears, delivering an expansive soundstage with clarity and precision. Bluetooth® technology allows wireless connectivity with your smart devices, with single-button access to JBL Pure Konnex™ technology enabling a pure connection to your wireless device for clear handsfree calling. Integrated ShareMe™ lets you take your music social, allowing you to stream music wirelessly to another ShareMe™ equipped headphone. And a built-in rechargeable lithium-ion battery keeps the sound going with 18 hours of uninterrupted play time. The ergonomic headband and 3D hinges provide for long lasting comfort. Soft, leatherette ear cups cradle your ears for all-day comfort while providing a heightened level of passive noise reduction. The E50BT's sleek design and five unique color combinations make a visual statement that's as striking as its sound.

Features

- ▶ Bluetooth®-enabled technology for wireless calling and music play. Built-in ShareMe™ technology allows you to share your content with another set of headphones, simultaneously.
- ▶ Built-in, USB rechargeable lithium-ion battery provides 18 hours of uninterrupted listening. And when the battery dies, the included aux cable allows for passive listening.
- ▶ Ear-cup-based microphone with Pure Konnex™ echo-cancellation technology allows for handsfree calling with a pure connection to your wireless device for clear, handsfree calling.
- ▶ JBL Signature Sound with PureBass Performance and premium 50mm drivers deliver full spectrum sound with uninhibited clarity and powerful bass.
- ▶ Ergonomic headband and protein leather ear-cushions provide an ultra-comfortable fit and effective noise isolation.
- ▶ Assertive, contemporary styling in five color combinations.

SYNCHROS E50BT

Bluetooth®, around-ear headphones with JBL Signature Sound, PureBass Performance, wireless ShareMe™ music sharing and a superior fit

Bluetooth®-enabled technology for wireless calling and streaming music play. Built-in ShareMe™ technology allows simultaneous, wireless music-listening among 2 ShareMe™ equipped headphones.

The E50BT is a stylish, wireless headphone that is the perfect complement to a smart device or tablet. It's also a social hub: activate ShareMe™ with the touch of the ear cup and stream your music to another ShareMe™-enabled headphone. The E50BT is a “concert for 2”.

Built-in, USB rechargeable lithium-ion battery provides 18 hours of uninterrupted listening. And when the battery dies, the included aux cable allows for passive listening.

Listen all day, charge at night. The built-in rechargeable lithium-ion battery powers the E50BT for a generous, best-in-class 18-hours of play time. And on the occasion that you find yourself without power, use the included 3.5mm aux cable to play passively. Also included, a micro USB cord for recharging.

Ear-cup-based microphone with Pure Konnex™ echo-cancellation technology for handsfree calling with clear voice transmission.

The E50BT keeps you connected, not tied down. Seamlessly shift from music listening to a phone call at the touch of a button. Speak wirelessly via the built-in microphone and experience pure, clear telephony thanks to Pure Konnex™ echo-cancellation technology.

JBL Signature Sound with PureBass Performance and premium 50mm drivers deliver full spectrum sound with uninhibited clarity and powerful bass.

The E50BT delivers uncompromising highs and expansive lows; performing at a high level, it reproduces a wide frequency response from 10Hz to 24kHz. The large drivers pair with JBL's PureBass Performance to guarantee a dynamic, undistorted listening experience – Hear the Truth™.

Ergonomic headband and leatherette ear-cushions give an ultra-comfortable fit and effective noise isolation.

The lightweight, ergonomically designed headband with soft, leatherette ear cushions cradle your ears for all-day listening comfort, while shutting out noise from the outside world. 3D, aluminum swivel hinges align the ear pad with your ear for the perfect fit.

Assertive, contemporary styling in five color combinations.

Head turning, the E50BT's contemporary design and five fresh colors make a bold statement.

What's in the box:

- 1 JBL E50BT around-ear headphones
- 1 Straight aux cable
- 1 USB aux cable for charging
- 1 Safety sheet
- 1 Quick-start Guide

Technical Specifications:

- ▶ Advanced 50mm drivers
- ▶ Dynamic frequency response: 20 – 20kHz
- ▶ BT frequency range: 2.402 – 2.480GHz
- ▶ BT transmitter power: <4dBm
- ▶ BT transmitter modulation: GFSK $\pi/4$ DQPSK 8-DPSK
- ▶ Support BT 3.0, A2DP v1.3, AVRCP v1.5, HFP v1.6, HSP v1.2
- ▶ Maximum SPL: 117dB @ 30mW
- ▶ Rated power input: 30mW
- ▶ Microphone sensitivity: -42dBV/Pa @ 1kHz
- ▶ Battery type: Lithium polymer (3.7V, 730mAh)
- ▶ Music playing time: 18 hours
- ▶ Talk time: 24 hours
- ▶ Connections: 3.5mm jack
- ▶ Weight: .3KG
