Bluetooth Remote Controller

Safe and easy control of your smartphone for your next drive or ride.

JBL Click is a mountable Bluetooth® remote controller that provides easy and safe control of music and call functions on any smartphone. The fully adjustable silicon strap can be easily mounted to steering wheels or handlebars and since JBL Click is fully waterproof, the applications are endless. JBL Click is both durable and long lasting thanks to its smart power saving mode and CR2032 lithium battery. Keep your eyes on the road and hands on the steering wheel or handlebar even when your smartphone is out of reach.
